CLOSING OUT \$125,000 WORTH OF DRY GOODS AT S. KELLNER'S. + Regardless of Wholesale Cost.

THIS IS A RARE OPPORTUNITY TO BUY YOUR HOLIDAY PRESENTS

At a mere nominal price. In order to wind up my business in as hort a time as possible, so as to save expenses, and knowing the great difficulty in disposing of such a large stock, I have concluded that the only way of succeeding in so doing, is by selling the goods at less than actual Wholesale Cost, and thus putting it beyond the power of any stores that intend to pay their expenses out of their business to compete against my prices, and as it is not within the province of human nature for purchasers to care to go to the higher priced stores for their goods, I therefore believe that my effort to close out soon will be successful. I here wish to state that my stock of HOLIDAY GOODS is very large and would further say that every piece of

分 DRY GOODS AND GENT'S FURNISHINGS, A

whether herein quoted or not, has been reduced in price, so as to insure positive sale. Bear In mind that I show some of the finest Dry Goods that have ever been shown in this city. In Dress Goods and Silks I have some of the choicest styles. In Fine Fans and Real Duchess and Point Lace Handkerchiefs, which make elegant presents, I show a very large line, and in the Cloak Department I show over 500 styles in Ladies' and Children's Garments, some of which have arrived very late this Fall.
